

AUTHOR BY ONABANJI ABIOLA

Master 1 CCN Project First Semester

Creating a website for ECOLE DU SACRE-COEUR D'ORGERES.

In this website, HTML, PHP, CSS, JavaScript and PDO was utilised in order to design both the front-end and back-end.

In the home page (Accueil) we have two menu bar - : at the top right and the other making a 360° round the moving picture. Also a daily time (with date and day) is found at the bottom left of the home page (fig1). Each menu as to be click on in order to access the sub-menu (fig2).

Figure 1: Home Page.

Figure 2: Home Page with Menu Open.

On visiting the site, one may need to contact the school for more information, this is done with the 'contactez nous' button seen at the top right of the home page(fig1 or fig2). On clicking, we get fig3, and on sending a message to the school we get (fig4). Which is confirmed in the email box (fig5). In order to do this, i had to configure my local server (XAMPP).

The image shows a web form titled "Contactez nous" (Contact us). At the top, there are two blue buttons: "ACTU" and "CONTACTEZ-NOUS". The form contains the following fields and information:

- Phone Number:** +33 (0)2-99-57-63-17
- Email:** project@gmail.com
- Address:** 4 rue du Corbeau, 33230 ORGERES
- Map:** A Google Map showing the location of Orgeres, France, with a red pin.
- Form Fields:**
 - Nom:** (Name) - Input field with "Veuillez saisir" (Please enter) placeholder.
 - Prénom:** (First Name) - Input field with "Veuillez saisir" placeholder.
 - Numéro:** (Number) - Input field with "Veuillez saisir" placeholder.
 - Email:** - Input field with "Veuillez saisir" placeholder.
 - Message:** - Text area with "Veuillez saisir" placeholder.
- Submit Button:** A blue button labeled "Envoyer" (Send).

Figure 3: Contact Us Page with Google Map Location.

A green banner with the text "Message envoyé !!! Merci de nous contacter" (Message sent !!! Thank you for contacting us).

Figure 4: After Sending a Message to the school.

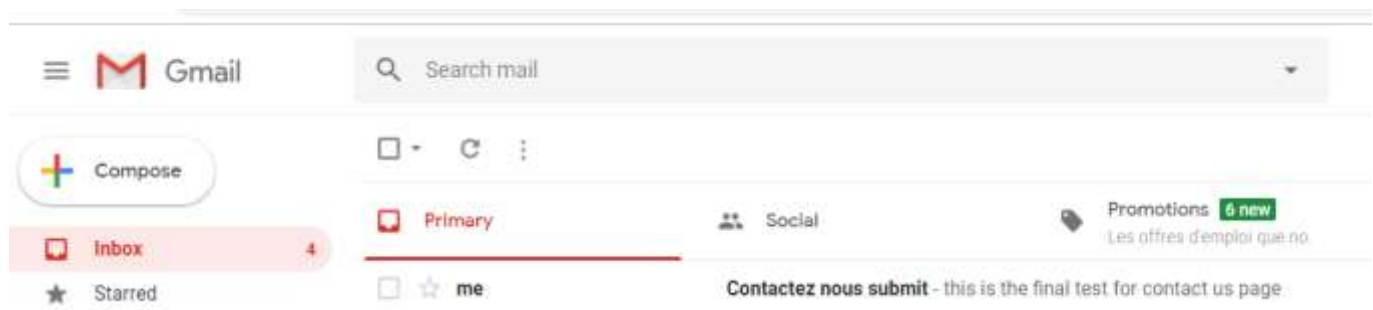

Figure 5: Contact us email confirmation in email box.

On visiting the site, one wants to register his/her child, this is done with the 'inscriptions' button also seen at the top right of the home page(fig1). On clicking, we get (fig6). Once you sign in, we obtain (fig7) the continuation of the registration, and (fig8) which is the confirmation of the link in email box.

Merci de vous être inscrit, confirmez votre inscription dans votre email afin de continuer l'inscription de votre enfant ou de vos enfants.

Figure 7: Redirction to Email.

Figure 8: Link in Email box.

Once the link is clicked on, it takes the user to a new page with a form 'inscription form' (fig9a). The form is a DYNAMIC FORM which enables the user to register one or more child at the same time (fig9b). Once this form is filled and submitted, a congratulation page is shown (fig10a) and a confirmation email is sent to the

The screenshot shows a web form titled 'Inscriptions Form'. It is divided into three main sections: 'Information des Parents', 'Informations sur l'enfant', and 'Termes et Conditions'.
 - 'Information des Parents' contains two rows of fields for Parent 1 and Parent 2, each with fields for 'Parent', 'Relation', 'Email', and 'Numéro'.
 - 'Informations sur l'enfant' has buttons 'Ajouter un Enfant.' and 'Retirer l'enfant.' with a note: '(Toutes les actions s'appliquent uniquement aux entrées avec des cases à cocher cochées.)'. Below are fields for 'Nom', 'Prenom', 'Âge' (with a dropdown set to '00 an'), 'Année' (with a dropdown for 'Année d'inscription'), and a photo upload section 'Ajouter une photo (JPG, PNG ou GIF (max. 1Mo))' with 'Choisir un fichier' and 'Aucun fichier choisi' options.
 - 'Termes et Conditions' has a checkbox 'J'accepte les termes et conditions.'.
 A green 'Register' button is located at the bottom right of the form.

Figure 9a : Inscription Form.

User's mail box (fig10b). With this, the user can now login (fig11). Once logged in, the user can see his or her childrens information (fig12). Other images such as my database is shown in fig 13(a,b, and c).

Inscriptions Form

Inscriptions des Enfants Terminée

**Merci d'avoir inscrit vos enfants dans notre école.
 Nous serons contents de vous voir ainsi que vos
 enfants à la date de reprise.
 Vous pouvez vous connecter maintenant. Merci**

Figure 10a: Inscription Confirmation Page.

Figure 10b: inscription Confirmation Email.

The image shows a login page with a light blue background and a blue border. At the top center is the heading 'Connexion' in a black serif font. Below the heading is a rounded rectangular frame containing a cartoon illustration of two children, a boy and a girl, playing with toys. The boy is standing and holding a green block, while the girl is sitting on a small orange chair holding a brown teddy bear. Below the illustration are two input fields. The first is labeled 'Email: *' and contains the placeholder text 'Votre Email'. The second is labeled 'Mot de passe: *' and contains the placeholder text 'Votre Mot de passe'. At the bottom left is a red button with the text 'Register' in white. At the bottom right is a green button with the text 'Login' in white.

The screenshot shows the phpMyAdmin interface. The left sidebar displays a database structure with 'users' selected. The main panel shows the 'users' table with two rows. The table has columns: user_id, email, and psw. The first row has user_id 1, email abibabe0206@yahoo.co.uk, and a hashed password. The second row has user_id 2, email abibabe0206@gmail.com, and another hashed password. The interface includes navigation tabs like Browse, Structure, SQL, Search, Insert, Export, Import, Privileges, and Operations. A status bar at the bottom indicates 'Showing rows 0 - 1 (2 total, Query took 0.0013 seconds.)'.
